

For over 50 years, Memorial Machine, a division of WPI, has set the standards in remanufacturing excellence. With RENEW by Memorial Machine, we take remanufacturing to the next level - offering components that meet or exceed OEM standards with efficiency, precision, and reliability.

Every part we remanufacture at Memorial Machine is a testament to our commitment to quality and precision. Whether for compressors, engines, or components. RENEW is a brand to trust when it has to be good as new.

A remanufacturing line dedicated to when it has to be good as NEW

Expertise You Can Trust

Zero-Hour Remanufacturing

No reuse guidelines on wear components
